Dear Sir/ Madam,

**Re : Introduction of CAVE Villa, Batu Caves**

We are pleased to inform that CAVE Villa, a new tourism attraction, has opened its doors to the public. Boasting a land area of 50 000 square feet, CAVE Villa is strategically located within the Sri Subramaniam Temple premise, more precisely next to the main entrance of the hill temple of Batu Caves.

With plenty of attractions such as a huge koi pond, a conceptual restaurant, reptile galore, art galleries and cultural stage, it will definitely be an experience not to be missed. Coupled with interactive elements incorporated, it will offer both education and entertainment to all visitors.

As such, we would be very eager to have an opportunity to introduce CAVE Villa to your esteemed organization either through a video presentation or power point presentation, whichever is applicable, at your premises. We would also be happy to invite some key staff for a tour where we can discuss further on how we can organize group tours for your tourists as well as other areas of working together.

Kindly consider this humble effort by us to kick start an ongoing fruitful relationship with your esteemed organization. We would very much appreciate if you can grant us a suitable date and time for a presentation soonest possible.

Please do not hesitate to contact Mr. Anthony ( Marketing Manager ) at 012 392 8811 or Mr. David (General Manager) at 012 910 8389 for more information.

Looking forward to hear from you soon. Thank you.

Your Sincerely,

**David Chew**
